23. Rabobank Tournament U13

Lunteren, May 2017

Dear Football Friends,

It has been 23 years (1994) since the first edition of this tournament was organized by Voetbalvereniging Lunteren.

The goal back then was to become one of the leading Under 13 tournaments in the Netherlands. Looking at the clubs participating this year, we can safely say that the goal was reached. We are very excited that we, in addition to players and coaches from the youth teams of several of Holland's biggest professional and amateur clubs, can also give a warm welcome to several football friends from abroad.

We will do everything in our power to make sure everything proceeds smoothly on tournament day, but if you have any complaints or suggestions you can always talk to our tournament commission.

Lastly, we would like to wish everybody a very successful, entertaining and sportive Rabobank Tournament U13!
